Dear Parents and Families,

My name is Becky Nguyen and I am excited to be joining the SnoSprings teaching team this fall for the 2019-2020 school year! I received a BA in Elementary Education with a Fine Arts concentration from Seattle Pacific University. During my free time, I love to play the guitar and enjoy the outdoors. Ever since moving to Seattle in 2012 from the East Coast, I have grown to love the PNW and the beautiful scenery it has to offer.

I have two years of student-teaching experience in Renton and Issaquah School Districts. I worked with kids of all ages in different settings including after-school/day-care programs, private music lessons & tutoring, and the Children's ministry at my local church. The experiences were rewarding and insightful, as working with children has always brought me joy and taught me more about my surrounding community.

As a teacher, I strive to educate according to the needs of each individual student. I believe in a growth mindset - that each student may learn in a different way and he or she is capable of learning and growing. I hope to connect with and know my students at a deeper level with the help of families in order to better support their academic and social-emotional development, inside and outside of the classroom.

Please feel free to contact me at any time if you have any questions or concerns.

I look forward to getting to know you and your child more as we kick-start a wonderful year together!

Best,

Becky Nguyen
