Dear SnoSpring Families,

My name is Val Griffin and I have been the librarian for the last two school years. This upcoming school year, I will continue with Library and also teach first grade in a job share. I am so excited for this new opportunity and I look forward to seeing all your children again soon!

A little about myself... I grew up in Issaquah and afterwards graduated from Washington State University (Go COUGS!). I worked at Sunny Hills Elementary for 5 years, teaching 1<sup>st</sup> and 2<sup>nd</sup> grade. I took some time off to be with my kids who are now 5 and 2 years old. I am excited to continue to work in my community by being part of SnoSprings!

I enjoy working out, crafting, party planning and baking! I also enjoy traveling. My top two places to visit at the moment are NY during the Holidays and Thailand, mainly to interact with elephants. Although I have many family members here, I have many more in Hawaii and Chile. I grew up in a bilingual home and went on to receive a minor in Spanish.

Thank you,

*Val Griffin*
